MAINE ELECTION.

Perham Elected Governor by 7,000 Majority.

A CLEAN SWEEP!

SENATE SAME AS LAST YEAR.

12 Democratic Gain in the House.

Fourteen out of Sixteen Counties carried by the Republicans!

Returns received from 220 towns giving Perham about 7,000 majority. The towns to be heard from will probably increase Perham's majority to 8,000. The Democrats have carried Knox and Lincoln counties. The Republicans have elected the same number of Senators as last year, while the Democrats have gained 12 or 15 members in the House. Each of the candidates of the Republicans for Congress is re-elected by their usual majority, except Lynch of the First District who loses 700 majority, and is elected as he was nominated, by Cumberland alone. The Democrats carry York for Representative to Congress by 31 majority with Newfield and Shapleigh to hear from which will slightly increase it. The Republican county ticket is handsomely elected by about 750 majority.

Vote of Biddeford.
